

## *17<sup>th</sup> international CAN Conference*

### ***Invitation for Sponsors***

Take the opportunity and present your company as sponsor to an interested audience at 17<sup>th</sup> international CAN Conference (iCC). CiA invites you to act as a sponsor at the iCC 2020, in Baden-Baden.

The iCC is the one-of-a-kind platform for presenting the latest CAN developments. Experts from all over the world and from the most diversified application fields meet on this conference, to discuss latest trends in CAN-based networking. The conference is unique in its target group and offers visitors the opportunity to become acquainted with the latest developments in CAN technology.

The 17<sup>th</sup> iCC will be accompanied by a tabletop exhibition enabling companies to present their latest products: semiconductors, devices, software, and tools.

For details regarding sponsorship, please contact CiA office:

Phone: +49-911-928819-22  
email: [conferences@can-cia.org](mailto:conferences@can-cia.org).

Best regards,

Birgit Ruedel  
CAN in Automation GmbH

## Sponsorship benefits

1. CiA prints the names of the sponsoring company on all conference material, e.g. the conference proceedings, the advertisement in CiA media.
2. The sponsoring company gets a free-of-charge double table in the tabletop exhibition.
3. CiA will publish the company logo of the sponsoring company at the iCC pages at CiA's conference website.
4. The sponsoring company gets five free tickets for attending the conference. Sponsoring companies are allowed to give these tickets to customers or business friends.
5. The sponsoring company is member of the iCC Program Committee.
6. The sponsoring company's profile is included in the iCC proceedings.

## Sponsorship requirements

1. The sponsoring company supports the conference with the amount of 4 000,00 €.
2. The sponsoring company supports CiA in distributing the call for papers as well as any other information material related to the conference.
3. The sponsoring company actively promotes the collection of papers among their customers and business partners.
4. The sponsoring company distributes conference information to their customers and business partners.
5. The sponsoring company announces the information about the conference among their customers and business partners.

We sponsor the 17<sup>th</sup> iCC with 4 000,00 € (4 760,00 € incl. German VAT).
