

CiA device certification order form

1 Brief information about CiA device certification

1.1 Scope of services

The CANopen device certification is a service offered at CAN in Automation that guarantees that the tested device is compliant to the CANopen Application Layer and Communication Profile. Detailed information about CiA device certification is provided on CiA website.

The test procedure itself is divided into the following parts:

- Test of the provided electronic data sheet (EDS) according to its conformance to CiA 306
- Test of the provided device according to its conformance to CiA 301 and according to the provided EDS.

1.2 Fees for device certification

Service	Fee non-CiA members	Fee CiA members
Basic rate per device test session (certificate included)	1000,- € (1190,- € incl. German VAT)	750,- € (892,50,- € incl. German VAT)
Basic rate per family test session (3 device test sessions and certificate included)	2000,- € (2380,- € incl. German VAT)	1500,- € (1785,- € incl. German VAT)
Rate per hour	100,- € (119,- € including German VAT)	

Additional tests and support after completed testing, in which the product failed to comply, will be charged separately.

2 Contact and device information

2.3 Device information

Name _____
EDS _____
Vendor-ID (1018_h – 01_h) _____

3 Generic device features

Connector compatibility:

CiA 303–1

Status LED compatibility:

CiA 303–3

Node ID assignment (e.g. software-, hardware switch, LSS, LMT, Node claiming):

Supported Network Management (NMT) functionality:

pure NMT slave functionality

NMT slave and NMT master functionality

Number of supported Process Data Objects (PDOs)

..... # Receive PDO

..... # Transmit PDO

Number of supported Service Data Objects (SDOs)

..... # Server SDO

..... # Client SDO

Supported Error Control functionality:

Heartbeat

Node Guarding

Supported CANopen device or application profiles (CiA profile numbers):

4 Order

By submitting this order form, I order the following services, which are offered by CAN in Automation:

CANopen conformance testing

Device certification

Product-family certification

I agree, that my successfully certified device is published on CiA's website.

Proposed date for test session: _____ - _____ - _____

_____, the _____ 20____
(City) (Day Month Year) (Signature)
