

CANopen product panels in 2019

Orderform

We appreciate the high interest in the display walls at the CiA exhibition stands. Also in 2019, CiA offers the opportunity to order CANopen product panels. We are planning to exhibit at Embedded World, Bauma Munich, and SPS IPC Drives.

Prices:

One already existing product panel per exhibition: 150,00 Euro (without German VAT);

One new product panel at the first exhibition: 180,00 Euro (without German VAT).

Please indicate your order by filling in the items below:

Exhibitions 2019	Number of ordered panels	Product name for label	Category <small>(Actuators, Components, Controllers, Gateways, HMIs, I/O modules, Interface boards, Other generic devices, Protocol stacks, Sensors, Tools)</small>
Embedded World			
Bauma Munich			
SPS IPC Drives			

Company name _____

Contact person _____

Invoice address, if different _____

Please send your new product to CiA office at least six weeks before the start of the exhibition. Transportation of your product to CiA office is at your charge.

Please note that your device is a permanent loan to CAN in Automation. Stored products, not exhibited for more than one year, will be either sent back to the manufacturer at their charge or destroyed.

Please send your order by email to publications@can-cia.org or by fax +49-911-928819-79.

If you have any questions, please feel free to contact us.
