

## *CANopen product panels in 2020*

### Orderform for European exhibitons

We appreciate the high interest in the display walls at the CiA exhibition stands. Also in 2020, CiA offers the opportunity to order CANopen product panels. We are planning to exhibit at Embedded World and SPS in Nuremberg, Germany.

Prices:

One already existing product panel per exhibition: 150,00 Euro (without German VAT);

One new product panel at the first exhibition: 180,00 Euro (without German VAT).

Please indicate your order by filling in the items below:

Exhibitions 2020	Number of ordered panels	Product name (label)	Keyword (Device function description)	Website (Company homepage)	Category (Actuators, Components, Controllers, Gateways, HMIs, I/O modules, Interface boards, Other generic devices, Protocol stacks, Sensors, Tools)
Embedded World Feb. 25 – 27, 2020					
SPS Nov. 24 – 26, 2020					

Company name \_\_\_\_\_

Contact person \_\_\_\_\_

Invoice address, if different \_\_\_\_\_

Please send your new product to CiA office at least six weeks before the start of the exhibition. Transportation of your product to CiA office is at your charge.

Please note that your device is a permanent loan to CAN in Automation. Stored products, not exhibited for more than one year, will be either sent back to the manufacturer at their charge or destroyed.

Please send your order by email to [exhibition@can-cia.org](mailto:exhibition@can-cia.org) or by fax +49-911-928819-79.

If you have any questions, please feel free to contact us.

## Orderform for Asia exhibitions
